PREFACE.

Aware of the great merit of the Works of the late Mrs. Gaugain, I have for some time been desirous of obtaining from the Trustees, the entire copyright of the whole of her Books on Knitting, Netting, and Crochet: and having at last succeeded in becoming sole Possessor of the same, I have great pleasure in announcing to the Public my privilege.

The many valuable receipts contained in the following pages, it is well known were the result of years of thought and practical experience on the part of the Writer, and cannot be too highly estimated for their correctness in execution, as well as for their clearness in description. Should my kind Patronesses be as much assisted and gratified by the use of them as I anticipated in making the purchase, I beg most respectfully to assure them, that I shall be amply repaid for the enterprise.

THE PROPRIETOR.

INDEX OF SIGNS.

INDEX OF SIGNS USED IN THE RECEIPTS.

A, take in three loops into one, by slipping the first loop off backwards, without knitting; knit the second and third loops together, then lift the first over the taken-in loop.

Ar, take in three loops into one, (laying reversed to the take-in three,) by knitting the first two off from the back part of loops; slip it on to the left wire, and with the third loop, which is the next to it on the left wire, lift it over the loop that was taken in, then slip the taken-in loop on to the right wire again.

Y, take in back stitch of three, by slipping off backwards without working the first, pearl the second and third loops together; lift the first slipped one over the taken-in loop.

Yr, take in back stitch of three, (laying reversed to the take-in back stitch of three,) by pearling the two first loops together, slip it on to the left wire, and with the third loop, which is the next to it on the left wire; lift it over the loop that was taken in, then slip the taken-in loop on to the right wire again.

B, a back, ribbed, seam, or pearl stitch, by knitting it off backwards with thread in front of pin; all back or pearl stitches must be done so, (having thread in front before commencing the stitch.)

Bm, make a back stitch like any other; do not take it off the left pin, but work another from back part of stitch, so as to make another stitch.
INDEX OF SIGNS.

B6, six back stitches; all figures affixed to the letters are the numbers of stitches to be worked.

F, bring the thread forward, by passing it under the right wire to the front.

J, pass the thread to the back, by passing it under the right hand wire.

M, make a stitch, by working another stitch from the back part of the loop last knit, before you take it off the left wire.

O, make a stitch, by bringing the thread to the front, (by passing it under the right wire, to the front.*)

Ob, make a back or pearled stitch, by casting the thread quite round the wire.

O2, bring forward the thread to the front, and again round the wire to the front.

P, a plain stitch or loop.

Pb, a bead stitch.

P2, or P4, two, or four plain stitches or loops, as the figures maybe.

Pr, knit one from back part of loop.

S, slip stitch, take off a stitch without working, as if you were going to work a back stitch.

* Throughout this volume, when O occurs on a back or pearl row, it must be worked as Ob. These rows will be known by the letters B, J, V, &c.
INDEX OF SIGNS.

Sb, slip back stitch, having thread in front; all back stitches have the thread in front. 
S1, a slip stitch, taking over the two last worked. 
S2, slip a stitch, having wool in front, then pass the wool to back, under left pin. 
S2, slip two stitches off without working. 
T, take in (or narrow) stitch, by knitting two loops together. 
Tr, take in, reversed, by knitting two loops together from back part of loops, which throws the taken-in stitch the reverse way of the plain take-in. 
Ti, take in, by inserting the wire as if you were going to pearl the first loop, and catch in the other as if you were knitting a plain one; knit them both off together. 
Ts, take in, by slipping the first loop; knit the next; slip the first over the knit one. 
L, take in back stitch, by pearling two together, having the thread in front. 
Lr, take in, back stitch reversed, by pearling first stitch, and slipping it on to the left wire; then slip the next to it (on the left wire) over it; lift back the stitch that was pearled on to the right wire again. 
L, let off half of the double loop altogether; you will still have the other half on the left pin; which knit together with the next stitch. 
A row signifies a row from one end of pin to the other. 
A round is a row quite round, when the work is done on more wires than two.
INDEX OF SIGNS.

A plain row, a row all plain stitches.

Back, or pearl row, a row worked exactly contrary to the plain row.

Ribbed row, a row worked alternately a few stitches plain and a few back or pearl stitches.

A front row, is worked with the thread behind.

A back row, with the thread in front.

Observe, when a back stitch or stitches occur on a front row, you must always bring the thread forward in the front; when the back stitch or stitches are finished, pass the thread back to its place.

The same when a plain stitch occurs on a back row; pass the thread to the back, and work; then bring it forward to its place.

Bring forward, bring the thread in front, so as to make an open stitch.

Cast off, by knitting the two first stitches, slip the first stitch over the second; knit a third, and slip the second over the third one; continue in this way till the whole is cast off.

Observe, that in all the following receipts where the pattern is marked "repeat," the edge stitches are never repeated.
Lined Paper for Copying or Designing Patterns on
XXXVIII.—VERY SIMPLE LITTLE BOOT.

This Boot is composed of six shades of pink, or any other colour of wool preferred; the stocking part in fine merino wool. The shaded boot part is all worked in pearl and plain stitch, with a row of intakes all up the fore-foot; the stocking part in a simple open pattern, as following receipt will show. Three skeins darkest colour, one of each of the other five shades, one hank merino, and two wires of No. 15, are required.

Cast on 51 stitches with darkest colour.

1st Row, plain.
3rd Row, P, M, P23, M, P7, M, P23, M, P.
4th Row, P, M, P24, M, P9, M, P24, M, P.

* Make a stitch by lifting one stitch up from the row below, and work it so as to increase a stitch.
5th Row, P, M, P25, M, P11, M, P25, M, P.
6th Row, P, M, P26, M, P13, M, P26, M, P.
7th Row, P, M, P27, M, P15, M, P27, M, P.
8th Row, P, M, P28, M, P17, M, P28, M, P.
9th Row, P, M, P77, M, P.
10th Row, P31; repeat the 10th row 2 more times. This concludes the sole part.

Work for the boot part as follows, in shades of pink:—

1st Row, darkest shade, S edge, P, B, alternately
2nd Row, P, B, to end of row, edge P.
3rd Row, S edge, P, B, repeat to end of row.
4th Row, S edge, B, P, to the 39th stitch, then A, then P, B, to end of the row; edge P.
5th Row, 2nd shade, B, P, to the 38th stitch, then y, then P, B, to end of row.
6th Row, S edge, B, P, to the 37th stitch, then A, then P, B, to end of the row; edge P.
Continue working in this way 4 rows of each shade, always taking in at the centre by working A, until you have only 23 stitches at each side of the A, in all 47 stitches; then work a row of holes for the ribbon to draw round the ankle. Work the open row as follows:

P2, †O, T; repeat from mark † to end; edge P.
Next row, S edge, B, P, repeat to end of row. Work as two last rows once more.

Then work with white as follows:

1st Row, S edge, T, P, O, P2, repeat; edge P.
2nd Row, S edge, ‡L, B, Or, B2, repeat; edge B.
Repeat these two rows until you have about two inches and a half done.
Conclude by working 14 ribbed rows of P, B.
Cast off; sew the boot up; then damp and pin it out until quite dry.
XXXIX.—HANDSOME TRIANGULAR KNIT SHawl.

At the request of many ladies, who were doubtful of succeeding in forming a Shawl from the Cushion Receipt in the Accompaniment to Second Volume of my work, I have been induced again to present that beautiful specimen of knitting, extended for the above purpose. It can be worked all white; or white centre and coloured shaded border; say twelve shades gold colour, four rows each shade, commencing at lightest.

Many Shawls have been worked of alternate white and coloured stripes, of Lady Betty wool; say white 16 rows, then 16 rows pale blue; the border, 48 rows blue.

It would be superfluous to mention the multiplicity of arrangements of colours and shades that are adapted to this elegant Shawl receipt. To a person of taste, there is great scope for variety.
The following receipt is for Pyrenees wool, of which 4 ozs. pink, and 4 ozs. white are required; the colour being changed every 16 rows. Use No. 12, ivory pins.

Cast on 4 stitches with white.

1st Row, P2; before taking the last stitch off the left hand pin, work it again from the back part of loop, so as to increase a stitch; repeat as described once more, making in all 6 stitches.

2nd Row, B; before taking it off the left hand pin, work it from the back part of loop, as before described; then B2; repeat as described once more making in all 8 stitches.

3rd Row, P4; before taking the last stitch off the left hand pin, work it again from the back part of the loop; repeat once more, making in all 10 stitches.

4th Row, B; work it as described in second round; then B4: repeat once more, making in all 12 stitches.

Note.—It would be well to tie a piece of coloured wool to mark the middle of the Shawl, until you get into the mode of working it; as you may perceive, by what you have already worked, this Shawl is formed by increasing a stitch after the first two stitches, and before and after the four middle stitches; and again before the two last stitches.
5th Row, +P2, O, P2, O, P2; repeat once more from mark.
6th Row, +P2, edge; pearl all the row but edge P2.
7th Row, +P2, O, P4, O, P2; repeat once more from mark.
8th Row, +P2, edge; pearl all the row but edge P2.
9th Row, +P2, O, P6, O, P2†; repeat once more from mark.
10th Row, +P2, edge; pearl all the row but edge P2.

Repeat in this way, always increasing after the two first stitches, before and after the four middle stitches, and again before the two last stitches, until you have 48 stitches in all, which will occur on the 22nd row, if worked properly.

23rd Row, P2, O, P, O, P4, T, P6, T, P4, O, P, O, P2∥; this mark ∥ is the centre or half of the row; therefore work backward from the mark; thus, P2, O, P, O, P4, T, P6, T, P4, O, P, O, P2. Every following row is repeated backwards from the mark, in the same way as this 23rd row.*

* Some ladies may think it immaterial whether they work backwards from centre, or repeat again from the beginning of the row; but it is most material to work as I have described in this row, as the end and beginning of many rows are different, consequently, if repeated again from beginning of row, it would make the pattern wrong.
24th Row, B5, Ob, B4, J, B4, J, B4, Ob, B5 ||; then repeat backwards.
25th Row, P2, O, P4, O, P4, T, P2, T, P4, O, P4, O, P2 ||; then repeat backwards.
26th Row, B8, Ob, B4, J, J, B4, Ob, B8 ||; then repeat backwards.
27th Row, P2, O, P3, O, P4, T, P6, T, P4, O, P3, O, P2 ||; then repeat backwards.
28th Row, B7, Ob, B4, J, B4, J, B4, Ob, B7 ||; then repeat backwards.
29th Row, P2, O, P, O, T, P3, O, P4, T, P2, T, P4, O, P3, T, O, P, O, P2 ||; then repeat backwards.

Repeat from 79th row to end, 5 more times; then again as 79th and 80th rows; which completes the middle of Shawl.

Now commence coloured Border, by working from 81st row to end; then from 79th to 97th row. Next with white, working from 97th row to end, then 79th and 80th rows. Then again with colour, working precisely as before. Finish with *6 rows garter-stitch; one row O, T; then again 6 rows garter-stitch.

Cast off with a large pin No. 8. Dress it as described for Shetland Shawl, Vol. II. page 118. Add Fringe described in page 119, Vol. II.; or the following

**KNIT FRINGE FOR SHAWL.**

Cast on 8 stitches, and work with the wool wound double, thus,—

\[ \text{O, } \text{l, } \text{O, } \text{j, } \text{O, } \text{j, } \text{O, } \text{j, } \text{O, } \text{j.} \]

Every row is the same. Work as much as will go round the Shawl. Sew it on to the shawl before it is dressed, being careful not to pull in the Shawl when sewing it on. After being dressed, undo 4 of the cast-off loops, and pull it down all along, to make 2 open rows for head part of Fringe.

* Observe to let out, as before, at end and middle, while working the garter-stitch rows.

XLI.—WHITE KNIT SHAWL WITH SHADED BORDER.

The centre of the Shawl is white, composed of alternate open and close stripes, which run across the Shawl from shoulder to shoulder. The open stripe may be done any pattern, according to taste. The close stripe is a stitch plain and a pearled, the right and wrong sides having the appearance of every stitch being worked plain that was pearled in the row before. There are eighteen rows in the open stripe, and twelve in the close stripe, (it may be worked wider in the stripes, if preferred); and ten open stripes, and nine close stripes, form half the Shawl. This half is begun with two stitches, and increased every front row a stitch at each side, until you have worked 9 close and 9½ open stripes. As the other half of the Shawl is taken in, you consequently begin doing so on this other half stripe, (which, when finished, makes the 10th open stripe,) reducing it exactly as you before increased. The centre, when worked, forms a diamond, as the working receipt will explain.—(It is worked in the same way as square or diamond Bed-quilt, page 144 of Vol. I.)
The coloured border is knit on afterwards, (by lifting up the stitch each side and letting out two stitches at each of the four corners, one stitch just before the two corner stitches, and one after them. Next round work pearl and plain.) The shades for border are inserted, as working receipt will show.

Four ounces white Alpine wool, and one ounce of English embroidery wool, are required. Shades of pink, scarlet, blue, or amber colour, look well.

**WORKING RECEIPT FOR CENTRE.**

Cast on two stitches with fine shawl wool. Work with two pins No. 12, about 14 inches long.

17th Row, S, P2, edge;  P12, edge P3.
19th Row, S, P2, edge;  P14, edge P3.

† This made-stitch is done by working the centre stitch twice; work it in the common way; before taking it off the pin again, work it from the back part of loops, so as to increase a stitch.
21st Row, S, P2, edge; P16.
23rd Row, S, P2, edge; P18.
25th Row, S, P2, edge; P20.
27th Row, S, P2, edge; P22.
29th Row, S, P2, edge; P24.

This commences the Close Stripe.

The remaining six rows required to complete the close stripe, are continued as above described, increasing every other row; work again the close stripe; and so repeat, until you have 9 close and 9½ open stripes. As before observed, this is one half of the Shawl. The other half of Shawl must be taken in on every front row at each side; consequently, the other half of the open stripe is still worked, but instead of increasing as before, it is taken in, as following receipt will show. Work as follows, to conclude the open stripe already begun:—
THE LADY'S WORK BOOK.

1st Row, S, P2, edge;  O, T, T, *O, T, repeat from mark * to the end, all but 7 loops; finish with T, T, O, edge P3.

2nd Row, S, P2, edge;  plain, edge P3.

3rd Row, S, P2, edge;  O, T, T, *O, T, repeat from mark * to the end, all but 7 loops; finish with T, T, O, edge P3.

7th Row, S, P2, edge;  O, T, T, *O, T, repeat from mark * to the end, all but 7 loops; finish with T, T, O, edge P3.

8th Row, S, P2, edge;  plain, edge P3.

9th Row, S, P2, edge;  O, T, T, *O, T, repeat from mark * to the end, all but 7 loops; finish with T, T, O, edge P3.
THE LADY'S WORK BOOK.

This commences the Close Stripe.

10th Row, S, P2, edge;  OB, J, T, *B, P, repeat from mark all but 7 stitches; work them J, T, OB, edge P3.

11th Row, S, P2, edge;  *B, P, repeat from mark, edge P3.

12th Row, S, P2, edge;  OB, T, J, *P, B, repeat from mark * all but 7 stitches; work them T, J, OB, edge P3.

13th Row, S, P2, edge;  *P, B, repeat from mark, edge P3.

14th Row, S, P2, edge;  OB, J, T, *B, P, repeat from mark all but 7 stitches; work them J, T, OB, edge P3.

15th Row, S, P2, edge;  *B, P, repeat from mark, edge P3.

Repeat as the above six rows, until you have finished your close stripe. Then repeat with the open and close stripes alternately, always taking in, till you have brought the Shawl to a point where you have only 14 stitches.

Then work as follows:—
S, P2, edge; O, T, T, T, O;  edge P3.
S, P2, edge; P6,  edge P3.
S, P2, edge; O, T. Lift the first T over the second; then again make another T, and lift both of the T's that are on the right hand wire on to the left; then pass the T that is next the left hand, over the one that is on the point of the left hand pin; then lift the one that is still left, on to the right hand pin again.—O, P3, edge.

When this row is finished, you will have 9 loops in all.
S, P2, edge; P3,  edge P3.
S, edge; T, P3, T,  edge P.
S, edge; P5,  edge P.
S, edge; P, A, P2,  edge P.
S, edge; P3,  edge P.
S, edge; T, T; now cast off the three stitches.

Pick up all the slipped edge stitches on each side on to a separate pin, and work with a fifth pin, and white wool, in every loop a pearl, and a plain stitch all round;
first work the pearl stitch, and again, before taking the loop off the left hand pin, work a plain stitch from the back part of the loop; but observe, before working the plain stitch, always to pass the thread to the back first, otherwise you will make three loops instead of two. When you get to the first corner stitches, which must be two, make an O; then work the two stitches, then an O; this is to let out the border, and must be done at each of the four corners every other round. Having worked as described, now commence the shaded border; there are seven shades in it; they must be marked in the shades; and work as follows with first shade, which is the lightest:

1st Row, P, B, all round.
2nd Row, B, P; at the corners let out as before, O, P2, O; repeat all round.
3rd Row, P, B, all round.
4th Row, B, P; at the corners let out as before, O, P2, O; repeat all round.
5th Row, P, B, all round.
6th Row, B, P; at the corners let out as before, O, P2, O; repeat all round.
7th Row, P, B, all round.

38th Row, T, O, all round but the corner stitches, P2, O.

Repeat as the two last rows, in the same shade, 5 more times.

Now work the shades back again, as before:—

With sixth shade, as 36th and 35th rows.
With fifth shade, as 34th, 33rd, 32nd, and 31st rows.
With fourth shade, as 30th and 29th rows.
With third shade, as 28th, 27th, 26th, and 25th rows.

* This P is worked, and then lifted off the wire on to that wire you have just concluded the 10th round with, as it is again required to work the T at end of row; in consequence of which you will be deficient a stitch at the end of every wire, therefore take one off the following wire. The last row will work in quite correctly.

* A can only be worked at the beginning of the round as T; all after that are worked as usual. At the end of the last wire, you will find an odd stitch, this being the stitch that is required to finish the A with, knit it, and lift it over the T at the beginning of the round.
XLIV.—VERY NOVEL AND CURIOUS CATERPILLAR PURSE.

This Purse is worked on four wires. It is composed of ridges lying across the purse, having between each ridge a very open stripe. After it is worked and cast off, the Purse is cut up the centre of the close part; and the part that is cut, when made up, forms the two ends. Sew up the cast-off and cast-on rows together, leaving a third open for the admission of money.

After the purse is cut, stretch it out, and slightly steam it, which is done by simply holding it (when strained) over the spout of a boiling kettle. This is the most expeditious mode of dressing small pieces of work, such as net, knit, or crochet purses, &c. I have dressed purses with gold and steel beads in this way, without the least injury to either beads or silk.

Two reels of shaded green purse silk, (which gives the idea of a caterpillar,) and five No. 18 knitting-wires, are required; with handsome steel rings and tassels.
THE LADY'S WORK BOOK.

Cast on 36 stitches on each of the four wires, and work with a fifth.

1st Round, P8,—‡O, P4; repeat from mark ‡ all round, except the 8 stitches at the end of last wire; work them plain.

2nd Round, P8,—‡‡S, O, P3, *P; now lift the slipped stitch over all the 5 stitches; then repeat from mark ‡‡ all round, except the 8 stitches at the end; work them plain.

Continue working as 2nd round till you have 8 inches worked; then work P8,—‡‡S, P4; lift the slipped stitch over the P4; repeat from mark ‡ all round, except the 8 stitches at the end; work them plain.

‡‡ Observe this slipped stitch must be slipped off as if you were going to work the stitch, otherwise it will not have the same effect as I intend.

* This P must be knit from the back part of loop, otherwise it will not have the desired effect.
XLV.—VERY HANDSOME KNIT BED-COVER,

Composed of alternate stripes of the old Scotch stitch and a stripe of basket-work stitch. When knit to the length required, and as many stripes as are wished for the width of counterpane, sew or knit them together; or, better, take a fine ivory crochet-hook, and draw the edge loop of the one stripe through the opposite loop of the other stripe, so as to join them together. Six lbs. No. 6 Dutch cotton, and two ivory knitting-pins No. 14, are required.

Cast on 28 stitches; work 6 plain garter-stitch rows before commencing the stitch. Work as follows the old Scotch stripe.

3rd and 4th Rows, as 1st and 2nd Rows.
Repeat as 1st and 2nd Rows five more times; making in all 10 Rows.
17th and 18th Rows as 5th and 6th.
19th and 20th Rows, as 1st and 2nd Rows.
27th and 28th Rows, as 25th and 26th Rows.

* These slip-stitches throughout this receipt are slipped off the left hand wire without working on to an extra wire, and kept in front of the work during this row.
† These back-stitches are worked from the extra wire, which is now at the back of the work.
31st, 32nd, 33rd, and 34th Rows, as 25th, 26th, 27th, and 28th Rows; then the
35th, 36th, 37th, and 38th Rows, as the 23rd, 24th, 25th, and 26th Rows.
45th, 46th, 47th, 48th, 49th, and 50th Rows, as 23rd, 24th, 25th, 26th, 27th, and
28th Rows.
52nd, 53rd, 54th, 55th, and 56th Rows, as 40th, 41st, 42nd, 43rd, and 44th Rows.
57th and 58th Rows, as the 23rd and 24th Rows.
Then cast on 38 stitches for basket row stripe. Repeat from first row of the stitch, until sufficient length for the Cover is done; then finish with 6 rows garter stitch, as at the commencement. Work 6 rows in garter-stitch before commencing the basket-work stitch. (This stitch is rather difficult to describe accurately, but I shall do my best to make it as clear as possible.)

1st Row, P2 edge stitches; then work the two following stitches thus,—the second stitch *first, then the first stitch. Continue to work the remainder of the row as the two last stitches described, until you have only two stitches, which work for edge, P2.

* Here lies my difficulty of description.—Take the right hand pin, and insert the point of it through to the front, between the first and second stitch on the left hand pin; work the second stitch in the common way, keep it on the left hand pin; you have now one stitch on the right hand pin; now work the first stitch from off the left hand pin, which is done in the common way. Now lift them both off the left hand pin. I gave this to a girl of 14 years of age to try, and she accomplished it, although I had my doubts concerning it. Both stitches in this bed-cover will not be found in the knowledge of many persons.
THE LADY'S WORK BOOK.

2nd Row, P2, B, edge stitches; then pearl the two following stitches thus:—pearl the second on the left hand pin in the common way; still keep it there; then pearl the first on the left hand pin in the common way; now take them off the left pin; repeat as the two last stitches described to the end of the row; edge B, P2.

Repeat as first and second rows until you have sufficient worked for length of bedcover; then six plain rows in garter stitch. Cast off.

When all the stripes are knit, join them up as before described. Should the basket-stitch be found too difficult for comprehension, common garter-stitch stripes may be substituted.

The Cover should be finished with a handsome Fringe, knit and sewed round it.

XLVI.—FRINGE.

Cast on 10 stitches, and work for fringe, Ob, J; repeat to end of row. Every row is the same. When the required quantity is complete, cast off 4 stitches; pull down the remainder for fringe part.
XLVII.—EDGING.

This simple edging looks well worked in the same pins, with cotton instead of fringe. It takes longer to work, but washes much better than fringe.

Cast on 13 stitches.

Repeat from 2nd row.
XLIX—VERY HANDSOME SHETLAND SCARF.

This Scarf may be worked all white, (or, if preferred, in colour.) The centre of the ends is a sort of Gothic arch pattern; and the centre of the Scarf part is worked in triangular pattern, as Receipt, page 50 of Vol. II., and as Engraving, page 15 of Accompaniment. The whole is surrounded by a border of diamonds.

If worked in colour, work the diamond border all in pink, and the centre patterns of ends and centre of Scarf, in black, as these look exceedingly handsome.

Cast on 148 stitches.

As you must now be completely conversant with the working of the *border, and to save a vast deal of repetition in writing, observe to work the border each side of the four following lines, (which are for the centre of the ends of the Scarf, as you have been working for some time.)

* To avoid any mistake in the border, you may refer to 47th row, as there the pattern commenced for the last time of working; therefore the 28 stitches at beginning and end of every successive row from that to the 66th row, comprise the border stitches. You will perceive there are 20 rows in the border pattern, and 4 stitches for each side, making in all 28 stitches.

To work the following row, you require 148 stitches; count them. Should you be deficient, pick up the number from the row below, and work them. This is in order that you may work the narrow border all across the scarf; recommence and work from the 7th row successively to the 26th row.

Now continue to work the centre, as follows:—

1st Row, P4 edge, P7, T, O, P, O, Ts, P8,......P4, centre part plain.—Observe here you take in 4 times, to make the centre come in properly. Let there be about 20 stitches plain between each intake; then work the 28 border stitches as at beginning of this row.

Repeat from the third row of the centre until you have about two yards worked. Now take up all the stitches on a piece of thread, or an extra pin, until you have worked the other end. Therefore cast on for the other end 148 stitches, beginning from first row, and continuing to work up to the first row of the centre of Scarf. Cast it off very loosely. When this is done, knit a stitch of the end and a stitch of the centre (that is, on the thread or extra pin) together, in order to join it. Fringe and dress it according to directions for Shetland Shawl, page 118, Vol. II.

Observe not to work this Scarf more than two yards and three-quarters, as it stretches out, when dressed, to at least three yards.

This Scarf looks extremely handsome, worked in sky-blue for the diamond border; and 12 shades of pink for Gothic arch pattern of ends. Work about 9 rows of each shade successively, commencing with the darkest colour, from the 31st row up to the 142nd row; then work in blue, as before mentioned. The centre of Scarf is all black.

Two hanks black, 1 blue, 1 of each shade of pink, and a pair No. 12 pins, are required.
L._NECK SCARF IN CROCHET.

This Scarf is worked in shaded eight-plies German wool, and in the same open stitch as described, Receipt 127, Vol. I. It should not be tightly worked, as it feels more comfortable and soft when done loosely. One ivory hook, gauging No. 9 (under the hook part,) and one ounce of each of the wools, are required.

Cast on 240 chain-stitches with black, not including the one on the needle.

1st Row, Cast on or make a loop on your needle only; then insert your needle into the sixth stitch of the foundation, not including the two loops that are now on the needle. Having inserted your needle, pull the thread through to the front; you have now three loops on the needle; again make another loop on your needle, and draw it through only two of the loops on the needle; again make another loop on your needle, and draw it through the remaining two loops; make one more, and draw it through the stitch on the needle; this finishes the edge or first stitch. ¶ Again
commence a stitch, by casting on a loop on your needle; insert the needle into the second stitch of the foundation from the last stitch worked, pull the thread through to the front; you have now three loops on your needle, again make another loop on your needle, and draw it through only two of the loops on the needle; again make another loop on your needle, and draw it through the two remaining stitches; then again make a loop on your needle, and draw it through the other loop on your needle; repeat from mark ‡ for the remainder of row.

2nd Row, Tie on scarlet, work four chain stitches; then cast on or make a loop on your needle; insert the hook into the second stitch from the last stitch on the former row; pull the thread through to the front; you have now three loops on your needle; make another loop on your needle, pull it through the two loops; then make another loop, draw it through the two remaining loops that are on the needle; now make another loop, and pull it through the loop on the needle; again commence the stitch, by casting on a loop on your needle; insert the hook into the second stitch from the last worked; draw it through to the front; you have now three loops on your needle; make another on your needle, and draw it through the two loops on your

needle; again make a loop on your needle, and draw it through the two loops on your needle; then make another on your needle, and draw it through the loop on your needle; repeat to end of row.

Continue working as 2nd Row three more rows with scarlet; 1 black, 4 green; 1 black, 4 purple; 1 black, 4 gold colour; 1 black. Draw up the ends, and add tassels to suit.

LI.—CROCHET TIDY.

This Tidy is worked in the same way and same stitch as the foregoing Scarf, but rather tighter, with a No. 10 hook.

Cast on 120 stitches, 1 black, 4 carmine shaded; 1 black, 4 blue; 1 black, 4 sage, 4 carmine; 1 black, 4 blue; 1 black, 4 sage; 1 black.

LII.—CUSHION.

The Scarf Receipt also makes a very pretty Cushion, trimmed with shaded cord and tassels to suit. Both sides of the Cushion are worked alike.
The Vine Leaf Pattern, next page, is for Bag part.
